CARS PROFILE NUMBER - 65520

PROFILE ID TITLE: PREVENTIVE HLTH & HLTH SERV

FULL TITLE: PREVENTIVE HEALTH AND HEALTH SERVICES BLOCK GRANT

REPORTING INSTRUCTIONS: Enter all costs related to this program in accordance with the Tribe's approved work plan.

The Prevention Block Grant can be used to address any of the federal health status objectives, but funds should be used for programs that do not have other sources of funds. For example, tobacco use prevention or cessation could be funded by Prevention, but if funds are available from the Tobacco Control Board or other sources, we prefer that those funds be used and the Prevention dollars go on something else.

The Prevention Block Grant can be used for programs such as overweight/obesity, oral disease, physical inactivity, nutrition, injury prevention, cardiovascular disease, diabetes, and environmental safeguards. This list is not exhaustive.

Tribes must comply with the DHFS Financial Management Manual for Counties, Tribes, and 51 Boards.
